

Name _____

Date _____

Pre-Algebra (24 pts)

Take Home

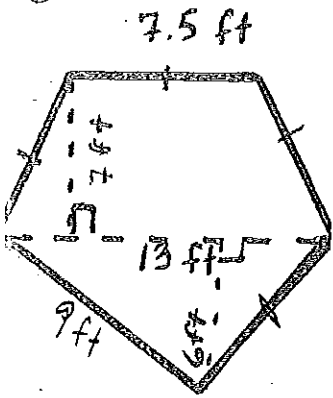

You will be taking this portion of the test at home. It is due on Wednesday. You can use your reference sheet and calculator. You may not get help from anyone. Be sure your work is clearly marked and easy to understand.

Remember: Academic Integrity!!!

- Find the perimeter
- Find the area
- Name each polygon you see
 - Round to 100ths
- Don't forget your units
