

## Types of Slopes

Sheet 1

Identify the slope as positive, negative, zero or undefined from each graph.

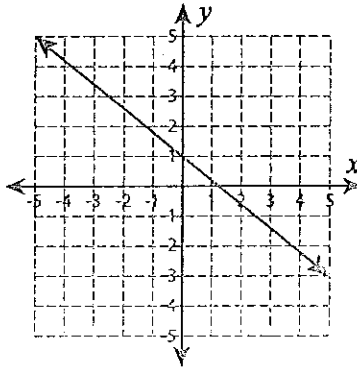

*Tell if it shows a proportional relationship*

1)

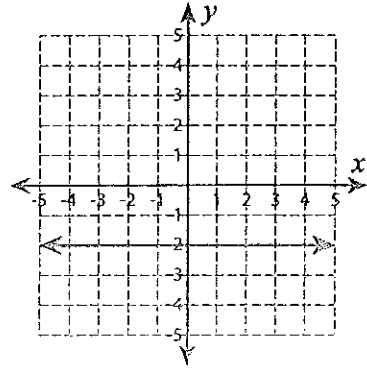

Positive  
proportional

2)

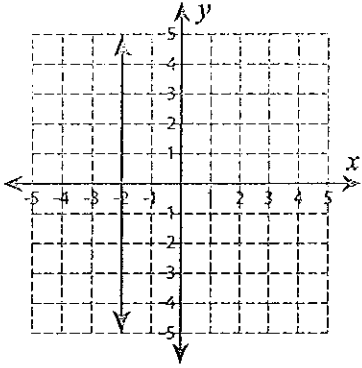

Negative  
not proportional

3)

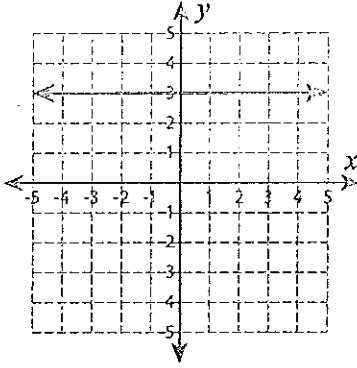

Zero

4)

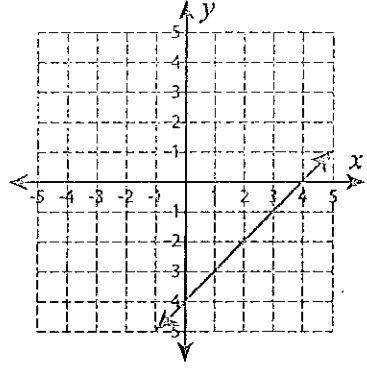

Undefined

5)

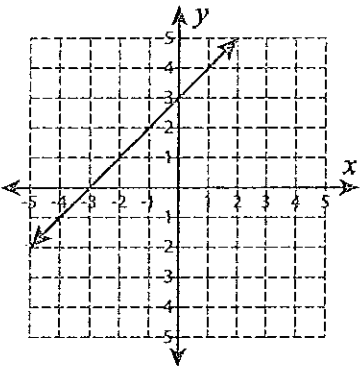

Zero

6)

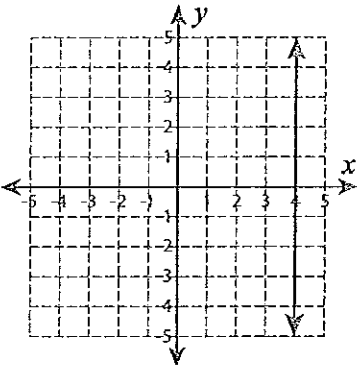

Positive  
not prop.

7)

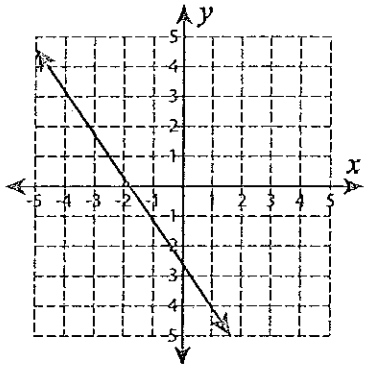

Positive  
Not Prop

8)

undefined

9)

Negative  
Not Prop.
