Look around the websites. Research 10 different stocks and then choose 5 stocks, which you would buy. Write 3 bullet points about why you would buy each stock based on your research. Use the table on the next page. The first one is done for you as an example.

Name of Stock	Ticker Symbol	Bullet Point #1	Bullet Point #2	Bullet Point #3
Amazon	AMZN	Getting into so many different businesses.	From 2008-2017 consistent rate of increase.	More and more purchases are being made online.
