

May 2019

Dear Parents,

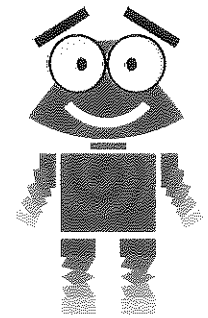

As you know, we have been very busy building, measuring, scaling, drawing and decorating our creatures. The projects will be coming to school very soon and we would love for you to join us in the LMC on Friday, June 7th to share in all of the students' work. It's great fun to see all the different representations of the same set of directions. You will come to school during your child's math period. The times are listed below. Hope to see you on the 7<sup>th</sup>!

**Period C: 9:25 – 10:01**

**Period E: 11:00 – 11:41**

**Period F: 12:40 – 1:15**

**Period G: 1:20 – 2:05**
